

A French Journey...

Dear students,

It is already the end of the first term. This was fast! We hope you enjoyed as much as we do!

Remember to contact Nathalie as soon as you know for next term registration and enjoy the break!

A French Journey Teaching Team.

Your French Journey!

Discover a beautiful French place each month...

The Eiffel Tower -la Tour Eiffel- is such an iconic building that you can find several copies of it all around the world!

The Paris (Texas) Eiffel Tower

Small or massive, beautiful or ugly, fun or tacky, make your own mind by following this link.

Quoi de Neuf???

It is already the end of the term! We have really enjoyed this first term with you all and looking forward to the second.

During the break, we will set up the small library we are building with the French books and DVDs we own.

Even if we haven't found its final place yet, please feel free to ask for them and take a book home for the break!

French Connections

The Melbourne Comedy Festival has just started. From March 30th to April 17th, you can discover the crazy universe of Fanny Bouffante in her show "*French women do everything better*"

Also, save the date! May 10th we are going to see the new play of the Melbourne French Theatre, "*Cher Trésor*"

French-Matic

Each month a French idiom or proverb.

« *SE CREUSER LA TÊTE* »

when you say : "*Il s'est creusé la tête*"
(*He dugged into his head- literally*)

it means

He thought really hard!
