## Your French Journey!

October was a rush and November is already here! Nevermind, we have lots a fun and events to share with you this month!

Melbourne French Festival - Paris to Provence is on Friday 21st November to Sunday 23rd.

We'll be sharing our stall with our friends from Lapont who organise French immersion trips.

If you stroll at the Como House, near the fountain, come to see us and say "Bonjour"!

## Quoi de Neuf???

If you are planning your next trip to France, don't forget to pass by the Bois de Boulogne, to visit la Fondation Vuitton.

Freshly opened last week, the incredible gem imagined by the famous architect Franck Gehry promises to be the "rendez-vous" for art lovers.

## French-Matic

Sometimes it is even better to learn it straight from the mouth of the locals....

Thanks to SBS you can access French 101... movies!

A great way of learning *l'argot* - the slang - or to develop your *bagout* or your *tchatche* - gift of the gab.

Unless you prefer just to open your *esgourdes* - earholes - and listen to Catherine's voice.
